G 12

If I had one wish that would come true, I would like to see my brother again. He is a cool person and he is also fun to hang out with, good at video games, a cool person, and he has an awesome truck.

Like I said, he is good at video games. The last time we played video games was at my cousin's house in Pelham. When ever we play, I usually beat him and he asks, "Why do I lose to some 10 years younger than me?"

When we are done playing video games, we usually just chill out and watch television. If we don't watch television, we play basketball and football in the front yard. I never win at basketball or football because he is too good, fast, and strong.

He also has a really awesome truck. It is a 1996 Chevrolet 2-Door with nitrous, 20 inch rims, a 350 big block and hydraulics, which makes one awesome truck. One time, we were coming from the Pelham post office and we were going 125 miles per hour! It was a really cool time, but he's a really cool brother. If I saw my brother again, it would change my in a good way.

Score Point: 4

This response reflects proficiency in expository writing skills. The writer cites a special wish (to see my brother again) and explains reasons for having this wish come true. Adequate details are provided to illustrate these reasons, and adequate language facility is displayed. The response is organized, and there are few writing errors.
